## COMPONENTS OF A LIFELONG MARRIAGE

An enduring marriage doesn't happen by chance. Left to its natural tendencies, a marriage will deteriorate and dissolve. Couples enter marriage with the hope and intent that only death will separate them. And for many couples, this is a reality. There are predictable components that must be present in a marriage, if that marriage is going to endure for decades.

**FRIDAY, MARCH 27, 2020**

**7PM-8PM | D.R. Semmes Family YMCA**
