

I am so sorry our app is down.

Thank you for your patience. We have a work around on our app until it is updated by our app company.

1. Open the KDRY app
2. Touch any screen
3. It will open to our website
4. Touch High Speed
5. A page that is Live 365 will open with our KDRY logo
6. About 2/3 of the way down on the right is a play button touch that and you will hear our stream
7. I will post on the front page of our website when we are back to normal
